Conference Sponsor U.S. Intelligence Council presents

**Afghan Prince Ali Seraj**

## Defeating ISIS Jihadis

Prince Ali Seraj comes to the Freedom Leadership Conference to speak about the enemy of his country and ours, ISIS – reacting to the American born Afghan-ISIS terrorist attack that killed 50 Americans in Orlando this week. Last minute addition.

Just several days earlier on Memorial Day, Prince Ali Seraj gave thanks and prayer for those American soldiers who died fighting ISIS in his country in order to protect both his countrymen and all Americans from these terrorists.

Prince Ali will share what Americans must do to defend themselves from the terrorists and give his reactions to the worst attack on American soil since 9/11.

Some Americans have wondered, where are good Muslims to speak out against the terrorists who kill Christians, Jews and Muslims who don't believe in their radical agenda? The answer is here. Meet and thank Prince Ali Seraj.
