Featuring keynote remarks by the  
#1 conservative Congressman from PA  
(per Heritage Action)

## U.S. Congressman Scott Perry

### Freedom Leadership Conference

7 PM at Fairfax Marriott Fair Oaks Mall, Virginia on Rt. 50 near I-66  
11787 Lee Jackson Memorial Hwy Fairfax, VA 22033  
This month sponsored by Uniformed Services League

Congressman Scott Perry will be keynote speaker at the post-Veterans Day “Salute to Our Servicemen” & “Save our Servicemen” rally of Freedom Leadership Conference on Nov. 13, 2013. Rep. Perry is also a Colonel, U.S. Army National Guard & an Iraq war veteran.

With American servicemen facing the threat not only of enemy bombs and bullets wherever they are deployed around the world, they are also in danger from possible accusations of war crimes instigated by anti-America, leftist and pro-terrorist forces under the International Criminal Court. Such trials would mean the traditional rights of American citizens would be denied any American so accused.

The sponsor of the “SOS2” conference is **Uniformed Services League**, which notes that in addition to threats abroad to U.S. servicemen they face increasing threats in America. The fact that American military bases are “gun free” zones encourages terrorists and lunatics to see this as a “safe zone” to murder American servicemen, as happened at Fort Dix, N.J. (2007), Fort Hood (2009) and more recently the Washington Navy Yard (Sept. 2013). This makes a “salute to our servicemen” and a “Save our Servicemen” rally on Nov. 13 very timely.

Congressman Perry was the keynote speaker at a picnic function of the Philippine-American Heritage Council of New Americans by Choice,

Also on the agenda:  
**The Liberty Amendments**  
proposed by  
**Mark Levin** (Part 2)  
Speaker to be announced

a past sponsor of the Freedom Leadership Conference this past summer. He addressed the group about the upcoming debt battle with the Obama Administration and saluted those who made a sacrifice to come to America, and was very well received by the group.

With a career as a U.S. Army National Guard officer (Colonel), Iraq war veteran, business owner & state legislator, first term U.S. Congressman Scott Perry (GOP 4<sup>th</sup> District PA) has already become the top conservative in the PA Congressional delegation with an 89% rating by Heritage Action.
