Memorandum

To Conservative Organizations (esp. CPAC co-sponsors)
From: Rick Buck, Event Coordinator, Freedom Leadership Conference
Ref: Free Offer

We would like to invite you to participate in the series of Freedom Leadership Conferences which are being organized to run monthly starting in April 2015 except for the summer months, at the Fair Oaks Marriott Hotel near Rt. 66 & Rt. 50.

As a co-sponsor there is no fee, your organization name and theme will be publicized in advance of the conference, you will be provided 5 minutes for your speaker, a link from our website to yours will be provided, the video of your speaker will be posted on youtube and at our website (with another link back to your website).

As a SPONSOR there is a \$500 fee which provides you the main headline in all conference promotions and advertisements, and sponsorship of one evening conference including the keynote speaker, 20 minutes presentation time, and off the record speaking time with our key leadership and donors during the dinner prior to the conference (dinner is included for up to two guests).

As a PRIMARY SPONSOR for \$1,000 you receive all of the above plus are featured prominently in a customized advertising and promotion campaign on social media and classified ads in area publications.

If you would merely like to subscribe to the free email newsletter of the conference please let us know. Attendance at the conference is free with a suggested donation of \$5 & advance RSVP required. Dinner is of course a higher donation requested to cover the expense. We would very much like any organization which appeals to the broad spectrum of the conservative coalition to be a part of the formerly annual and now monthly Freedom Leadership Conference.

Please email or call us (717/758-1521) immediately to let us know if you are interested in sponsoring, or attending, or speaking, or subscribing to the new Freedom Leadership Conference - originally started in 1999 as the Western Conservative Conference. Thank you.

PS. If you co-sponsored CPAC (at any level) one rep from your group may be our dinner guest at the next Freedom Leadership Conference to "sample" the event. Advance RSVP required, Contact us immediately.
